

How to seek out a potential European partner for your Erasmus+ project

You only need ONE named partner to begin your project*

Your network

- Do you know anyone working in a school in Europe?
- Reach out to former classmates/ friends of friends etc.

Your school

- Has your school ever engaged in a European project before? They may have established connections!
- Are there language assistants/ exchange students in your school?
- Do any teachers/ language teachers have connections to other European schools virtually or through projects in your school or a previous one worked in?

Online

- Schooleducationgateway website
- E-twinning website
- E-mail euroguidance@ncge.ie
- If you don't have a network yet- creat one! Learnign can begin onlien and transition to a mobility expereince.

*This can change if needed.
