

# NAME 1 LEARNING THAT YOU WILL TAKE HOME

**1**

**ADULT  
GUIDANCE**

"The importance of bearing in mind the required delivery of guidance to adults - it is not just about young people and younger learners"

**2**

**HIGHER  
EDUCATION**

"The importance of continued guidance delivery to those in Higher Education. It is not stop there ! "

**3**

**TEACHING AND  
INNOVATION**

"Quality of teaching is key. Is the Transition Year model something that could work in my country and my system ?"

**4**

**ONLINE  
SERVICES**

"There is a need for more online services for practitioners, and these will need to be translated appropriately"

**5**

**COOPERATION**

"There is a need for cooperation between other agencies and ministries in terms of training. There is also a need to invite external (expert) speakers where appropriate"

**6**

**PLANNING**

"Planning and strategising is an important element to delivery and all information should be analysed and adapted where needed"
