

THE CAO SYSTEM EXPLAINED

CAO

WHAT IS IT?

The [Central Applications Office \(CAO\)](#) centrally processes applications for entry to the first year of undergraduate courses in Higher Education Institutions (HEIs) in the Republic of Ireland. It also issues offers to applicants, when instructed to do so by HEIs, and records acceptances.

The CAO processes, on behalf of the HEIs, school-leavers presenting qualifications from other EU/EFTA countries as well as applications from Irish school-leavers presenting Leaving Certificate qualifications.

WHAT IS THE POINTS SYSTEM?

Details regarding the points system used by HEIs to score applicants, the minimum entry requirements to each university and to particular courses, and agreed entry requirements for applicants who present qualifications other than the Irish Leaving Certificate (e.g. other EU/EFTA school-leaver qualifications) can be found in the [CAO Handbook](#) on the [CAO website](#).
