

EXEMPTIONS

EXEMPTIONS- GENERAL INFORMATION

Before Applying for any course, it is important to check the minimum entry requirements.

If you intend seeking exemption from a minimum entry requirement such as Irish or a third or modern language you must contact, without delay, the admissions office of the Higher Education Institutions (HEIs) you are applying to.

If you wish to apply for an NUI exemption, you must contact the NUI (see www.nui.ie for details). You must also indicate this on your CAO online application. Apply to the NUI without delay and no later than 21 days after opening your CAO account. Please note: CAO plays no role in processing exemption applications.

Applicants must make arrangements for exemptions each year they apply.

You will receive a Statement of Application Record in May. You must check this document carefully and inform CAO immediately if there is any error or omission. If you have been granted exemption from the NUI Irish (and/or third language) requirement and there is no reference to it on the Statement of Application Record you must notify CAO immediately.

It is important to note that exemptions are a separate matter to supplying CAO and HEIs with information about a disability and/or specific learning difficulty.

WHEN YOU NEED NOT TO APPLY

If you satisfy **ALL** the criteria below:

1. Were born outside of Ireland
2. Were fully educated outside of Ireland AND
3. Are resident outside of Ireland

(ie: provide a non-Irish, European address, as part of your application)

The CAO will pick up this information automatically and you do not need to apply for an exemption.

WHEN TO CONSULT / APPLY

If you were born in Ireland / partly educated in Ireland / provide an Irish address to the CAO, you will likely still be entitled to an exemption.

HOWEVER it is wise not to assume this.

Contact the NUI / Individual HEI directly to check.

If you need further reassurance, then you tick the box for exemption on the CAO application and apply to the NUI directly to be sure.

(Checked with NUI - Nov 2019)
